In Memory of

and
Clifford Young

No longer mourn for me when I am dead
Than you shall hear the surly sullen bell
Give warning to the world that I am fled.
From this vile world, with vilest worms to dwell.

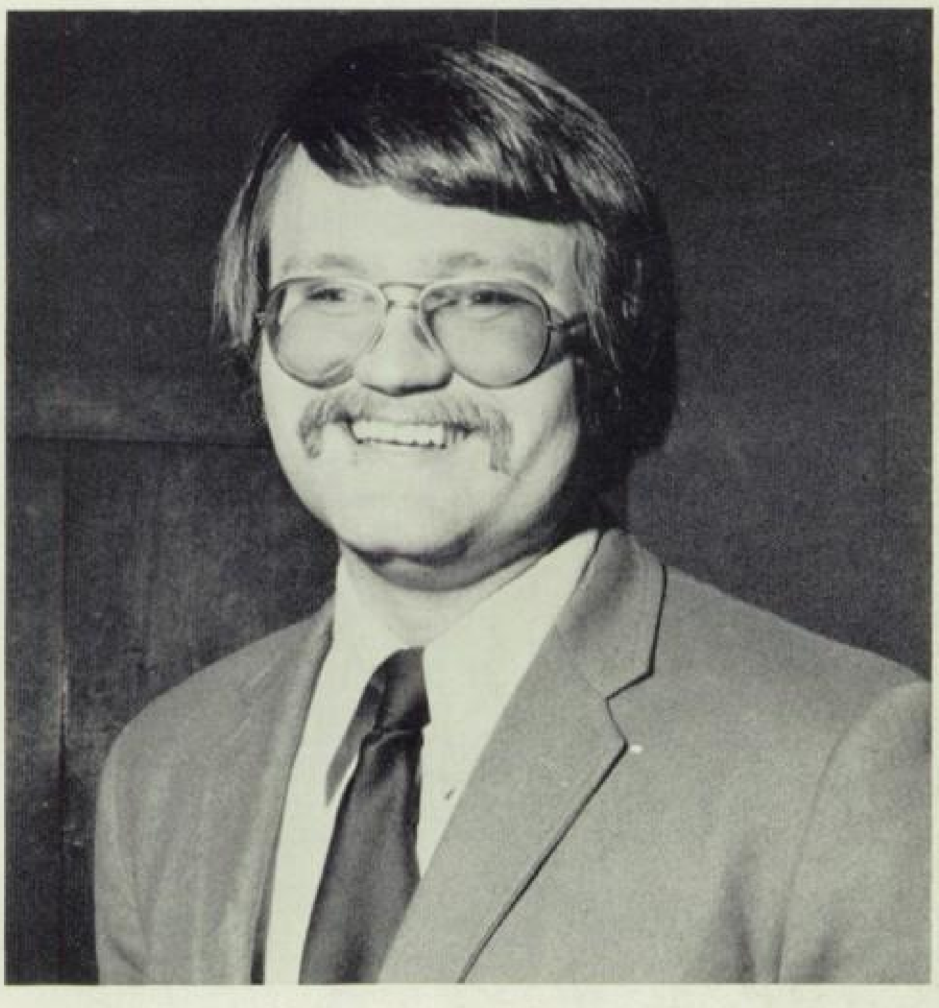
Nay, if you read this line, remember not
The hand that writ it, for I love you so,
That I in your sweet thoughts would be forgot,
If thinking of me then should make you woe.

—William Shakespeare

Dedication

The class of 1975 dedicates our yearbook to Mr. Tracy, who also came to Sumner in Sept. 1971. We'd like to thank Mr. Tracy for telling us like it is, how it was, and what it's going to be like. He has been and will be a big influence on all his students now and in the years to come.

Appreciation



The class of 1975 extends our appreciation to Mr. Beal. Although Mr. Beal has been at Sumner only three years he has been an asset to the school. He's always been ready and willing to help the students, and always given more than his share to faculty and students alike.

ace bandages and pulled muscles - late practice, early practice, - "one more lap around the field" - sweat running down aching backs - "ten more push-ups and we'll call it a day" - and then, the first game - pulling a few butterflies watching the cheerleaders go crazy on the sidelines - off the bench at last - just turn us loose! - singing the national anthem - last minute instructions from the coach - now go! ---

This was our third year of interscholastic competition. Mr. Harmon is very pleased with the participation from the student body and the players' ability to master the skills of this relatively new sport. This year the team record was 7 wins and 5 losses facing very tough competition from Ellsworth, Narraguagus, and Calais. Mr. Harmon would like to thank all players, managers, and fans. Seniors Kim Herlan, Terry Sullivan, Tom Green, and David Sprague will be greatly missed for the 1975 season.

Congratulations to Co-captain Kim Herlan on being chosen to the Eastern Maine Class B All Star team.

Farewell

These past four years have had their ups and downs, their radiant smiles and their unhappy frowns.

We've enjoyed these past four years as all those before and these thoughts will control our minds as we walk thru the doors.

That last night in June when we march to the stage, our hands will be clenched, but not in fits of rage.

We'll be clutching the future in our hands and in our minds. We are now adults in the world of mankind.

All at once we are dependent on ourselves. We put all our school day memories up on the shelves.

We now venture into the world so wide and its to you Sumner High School, we say goodbye.

Dolly Conley

Kathy,

To a real nut I got the privelage of meeting this year at Sumner. Never let life get you down and always keep smiling. You bring so much happiness to all whom you're near. When you're gone you leave something behind which everyone remembers you by.

When we walk through these doors for the last time remember all the fun and laughs we had in Home Ec. Class and through the lunch line.

I hope our paths meet in the future. Good luck in all you do and choose the future that's right for you.

Good luck with Richard.

God Bless you!
